GERMANY INCREASES GENERAL MEASURES FOR PREPAREDNESS

Every German Between Five and Seventy Must Be Registered in Interest of National Defence—Requisitioning of Motor Cars and Trucks Reported in Some Districts

BERLIN, Aug. 8 (AP)—Registration of every German between the ages of five and seventy was ordered tonight in the interest of national defence as the nation stepped up its general programme to establish a peak of preparedness by mid-August.

In effect, the registration supplemented the regular police register, which already has a record of Germans of all ages.

The re-registration order was issued by Wilhelm Frick, Interior Minister, as the press concentrated on its most vigorous anti-Polish campaign since tension developed over Danzig last April, and as reports circulated that automobiles and trucks were being requisitioned in some sections of the Reich for military manoeuvres.

MANY QUESTIONS ASKED

Frick directed the cataloguing should include details of the talent, knowledge, physical condition and efficiency of every male and female. Jews also must fill out the registration cards.

Each person thus may be assigned to the job he knows best in case of war—if he is not already at the front.

Each individual's card will show his profession, training, knowledge of foreign languages, training in sanitation, air defence, emergency technical duties, Red Cross work and whether he has fulfilled his labor and military duties to the state.

The announcement observed that "should Germany be attacked, then women and men unable to bear arms will have to support the fighting army by substituting at home, in even a greater degree than during the Great War."

GOVERNOR AT FAMILY PARTY

Their Excellencies Welcome Son on Arrival From The Arctic

CHURCHILL, Man., Aug. 8 (CP)—Lord and Lady Tweedsmuir, their sons, John and Alastair Buchanan, and other members of the Governor General's party left today for Prince Albert, Sask., after a three-day visit during which they inspected historic sites and modern grain-handling facilities of this Hudson Bay port.

Their Excellencies arrived on Sunday to welcome Hon. John Buchanan on his arrival that night aboard the supply ship Nascopee following a year in the Arctic in the Hudson's Bay Company's employ. It was more of a family reunion than an official viceregal visit here.

TAKE MANY SHOTS

Weather was nearly perfect during the viceregal visit and members of the party were active with cameras, Eskimos and Eskimo dogs and the large number of white whales in the Churchill River were the most popular camera subjects.

On Monday the party visited historic Fort Prince of Wales and expressed keen interest in the ancient buildings and the cannon that were intended for protection of the old fort, but actually were never used.

The party went aboard the Nascopee for afternoon tea as guests of Captain Thomas F. Smith, veteran sailor of the Arctic and North Atlantic.

FOUR PRIESTS KILLED IN MOTOR CRASH

MORESBY ISLAND, British New Guinea, Aug. 8 (CP-Reuters)—Four French priests and their pilot were killed today when a plane in which they were traveling crashed following a motor failure.

ATTACK IS FUTILE

JERUSALEM, Aug. 8 (AP)—The Palestine Broadcasting Station, where two persons were killed in a bomb attack on August 2, was attacked again today when two Arabs in an automobile threw a hand grenade at the partly wrecked building. No one was hurt and no damage done. One Arab was arrested.

Dominion Premier Avoids Reference To Next Election

Mackenzie King Gives No Hint of Plans for Next General Poll in Address to 4,000 Followers at Party Banquet—Will Express No Stand On European Affairs

TORONTO, Aug. 8 (CP)—Prime Minister Mackenzie King declared to an audience of nearly 4,000 people here tonight that he would not now or at any future time make a statement of Canada's stand toward a hypothetical situation that might arise in some other part of the world.

Addressing those attending a banquet marking the twentieth anniversary of his election as national Liberal leader, the Prime Minister said he had often been asked to make a statement of his Government's attitude toward European affairs.

"One thing I will not do and cannot be persuaded to do is to say what Canada will do in regard to a situation that may arise at some future time and under circumstances of which we know nothing," the Prime Minister declared.

At no time in his address did the Prime Minister make any reference to the question uppermost in the minds of most of his listeners—the date of the next general election.

SAANICH VOTES DOWN PROPOSAL

Municipal Council Decides Not to Aid in Drafting Transport Tender

The Saanich council will not take part in the preparation of a tender for a Greater Victoria transportation system, the municipal council decided last night.

The councilors took the action following the receipt of a communication from the Victoria Mayor's secretary asking approval of the inter-municipal transportation committee resolution that the four municipal splitters and clerks meet with a view to preparing a new tender form. The council pointed out that the Vancouver Island Coach Lines, Limited, had an exclusive had an exclusive franchise in the municipality, which had another fifteen years to run.

Reeve A. G. Lambick voiced his opposition to the proposal. Councillor J. W. Howroyd, Ward One, was the only other dissenter to the motion.

As a result the reeve will sit on the inter-municipal committee as a spectator only and will be unable to take any official part in its business.

OAK BAY SUPPORT

A communication was also received from R. P. Blandy, municipal clerk of Oak Bay, suggesting that Saanich should suggest the inter-municipal committee.

Councillor Leslie Passmore said that the council had no power to give the city permission to call for tenders for a transportation system in Saanich in view of the existing franchise.

"Let's just stand pat," was the suggestion of Councillor E. C. (Continued on Page 8, Column 7)

Attacking Bombers In "War" on England All Soon Detected

Listening Posts Are Successful in Reporting Every "Enemy" Aircraft—Thirteen Thousand Planes Take Part in Test—Three Crash

LONDON, Aug. 8 (CP)—Great Britain used 1,300 warplanes and 60,000 air defence soldiers in a gigantic test of air raid precautions tonight and at its conclusion the Air Ministry announced all aircraft "attacking" from the direction of France and Germany had been detected.

Listening posts succeeded in reporting every attacking bomber, it was announced although the speed of the attack theoretically caught the defenders unprepared.

Lifeboats put out from Walton-on-the-Naze and Aldeburgh, following reports two bombers came down in the North Sea. Another bomber crashed in a field in Yorkshire shortly after midnight, and first reports said five occupants were believed dead.

After "photographic" raids on such strategic ports as Southampton and Portsmouth, all other raid-

ANNEXATION ISSUE ALIVE

Premier Pattullo Says Union Of Yukon and B.C. Is "Logical Step"

TORONTO, Aug. 8 (CP)—Annexation of the Yukon Territory by British Columbia and its annexation to the development of the district to an extent hitherto undreamed of, Premier T. D. Pattullo, of British Columbia, said here today in an interview.

"But it is still definitely a live issue," he added. "The Yukon has a great future ahead of it as a gold-producing country."

AN ECONOMIC ENTITY

The Yukon is similar in every respect to the northern frontier of British Columbia and its annexation would permit a more direct administration of its affairs than is possible from Ottawa. Economically, British Columbia and the Yukon form an entity.

Mr. Pattullo did not know "whether we will be given permission to take over the Yukon." He said action on the matter has been postponed until after publication of the Rowell Commission report on Dominion-Provincial relations.

B.C.-ALASKA HIGHWAY

Turning to a discussion of the proposed British Columbia-Alaska Highway, Premier Pattullo said that union of the Yukon with British Columbia would simplify arrangements for construction of the road.

"Lots of Americans would use the road and leave new money with us," he said. "Building it would provide employment for Canadians, and while men are working on its construction they could study to become first-class prospectors before the job is completed."

DAYLIGHT HOLDUP STAGED IN PARIS

Bandits Rob Agents of Bags of Money Near City's Financial Centre

PARIS, Aug. 8 (CP-Havas)—Three bandits today selected a spot close to the Place de la Bourse, financial centre of France, to stage a daylight holdup that netted them 1,220,000 francs (\$223,300).

The three men were working on their own. They could study to become first-class prospectors before the job is completed.

HAS NO STATEMENT

Captain Alex M. Peabody, president of the Black Ball Ferry Lines, when asked if he had any statement to offer, replied "No statement! Thank you just the same."

T. Geurts, mediator for the Federal Maritime Labor Board, would divulge no information; but Paul Billingsley, of Vashon Island, member of the ferry users' committee, said "There's going to be fireworks if this thing isn't settled today."

Asked if there might be a concerted action by residents of Vashon and Bainbridge Islands, virtually marooned for some time by the strike, Billingsley said that he thought there would be but "we'll have to have a meeting of our board of strategy first."

IRISH LEADER TO LEAVE THE U.S.

WASHINGTON, Aug. 8 (CP)—The Labor Department said today that Sean Russell, Irish leader, who was arrested in Detroit during the visit of the King and Queen of England, had agreed to leave the country.

Russell had supplied \$5,000 bond on the charge of overstaying his visitor's visa, but officials said this would be canceled on his report to an American consul in a foreign country.

CLOUDBURST BRINGS DEATH IN IOWA

CLINTON, Ia., Aug. 8 (AP)—A seven-year-old boy drowned and property damage totaled an estimated \$50,000 in a cloudburst that brought more than two inches of rain here in two hours last night.

A flooded creek eight miles west of here swept the car, in which Leonard Webber, seven, of Bryant, Ia., and his mother were riding, off a bridge approach. The mother was rescued.

Can See No Possibility For Pacts

WASHINGTON, Aug. 8 (AP)—Henry F. Grady, new assistant secretary of state in charge of State Secretary Hull's trade agreement programme, said today he saw "little or no possibility" of United States reaching economic agreements with Germany or other totalitarian powers.

Scottish Nobleman Pays Return Visit After Twenty Years

Duke and Duchess of Sutherland Arrive in Palatial Private Yacht—Entertained at Dinner Last Night at Government House

"I HAVE always liked Vancouver Island, it is one of the most delightful places I know," George Granville Sutherland-Leveson-Gower, Duke of Sutherland, Knight of the Thistle, and Privy Councillor, told The Colonist last evening, on board the gleaming white and green yacht, Sans Peur, in which he will sail round the world.

Accompanied by the Duchess of Sutherland and a party of guests, the Duke arrived in Victoria yesterday morning from Vancouver, where he opened the annual Caledonian Games last Saturday.

The Duke of Sutherland visited Victoria in 1919 when his father owned a house at Cowichan Bay, sold some years ago. "I prefer to look up at the stack when I am smiling," but I have always remembered Cowichan Bay and the happy days I spent there.

MICHIGAN HIT BY TORNADO

One Killed and Many Injured—Homes and Buildings Demolished

DETROIT, Aug. 8 (AP)—A tornado roared through Western and Central Michigan late today, killing one man and injuring an undetermined number, while demolishing homes and buildings.

Winds of crushing force, springing up after sultry heat, swept across Kalamazoo and Kent Counties, then struck to the northeast to lay waste to property in Midland County.

Lester Baker, thirty-one, of Scotts, ten miles southeast of Kalamazoo, was killed when a greenhouse in which he was at work collapsed. Mrs. Gus Lindell, of Comstock, village near Kalamazoo, suffered critical injuries when her home was wrecked.

Glimpsing an approaching cloud which resembled "the black funnel of a tornado," Miss Ruth Holland fled into the basement of her home in the same area. Moments later the walls collapsed, but she was unhurt.

Near Midland, a riding stable was demolished. Four horses were injured. Sue Smith, twenty-nine, operator of the stable with her brother Raymond, and Alvin Gillett, twenty, employed as carpenter, were injured when their house was picked up and dropped in earth 100 feet distant with them inside.

Two Women Doctors, Lost For Day, Safe

L'ANNOUATION, Que., Aug. 8 (CP)—Two women doctors, holidaying in this Laurentian wilderness, turned in to bed early tonight to sleep off effects of being lost in the evergreen bushlands without food for twenty-six hours.

Dr. Ruth Law, of McGill University, Montreal, and Dr. Joan Buchanan, of Glasgow, Scotland, were found at noon today, after they had lost the trail back to Camp Read, from which they had started on a mile walking trip to see a beaver dam.

The women, dressed in shorts and shirts, had only scratches on their legs to show for their long trek through the heavy brush.

FEAR FOR SAFETY OF MISSIONARIES

SHANGHAI, Aug. 8 (AP)—Concern for the safety of a United States mission colony of about thirty persons at Kaifeng led today to a courier being sent from Chengchow to determine their fate during recent anti-American demonstrations.

A courier reported on Saturday that the missionaries were preparing to leave the Northern Honan city because of increasing anti-American pressure. The British missionaries in Kaifeng moved from the city last week. The Japanese army holds the Kaifeng-Chengchow, forty-five miles to the west, is in Chinese hands.

Sailor Reaches Port Exhausted After Battling Fury of Storms

CORDOVA, Alaska, Aug. 8 (AP)—Leaving behind him two drowned men in the stormy North Pacific, Seaman Ben Raymond—numbed, exhausted and beaten by both rain and mountain storms—arrived here today in an old skiff to recount a saga of the North that few men could have lived to tell.

Caught in a big storm Sunday, Raymond's powerboat capsized in Prince William Sound.

His two companions, Henry Hull, fifty-five, and William V. Erickson, twenty-five, were trapped and drowned in the boat's cabin, while Raymond dived and succeeded in getting hold of a skiff his boat was towing.

All night long, Raymond drifted helplessly with the tide and wind until he reached back to Hoonah Island. From there he struck out overland. He climbed three mountains, fought through storms on the slopes, swam streams and inlets and at last reached the opposite shore of Prince William Sound, where he found an old skiff.

He was found off the city dock today, coming into port under his own steam, half dead, half alive. His account of the tragedy was incoherent until he pressed the story together after medical attention in a hospital.

HYDE PARK, N.Y., Aug. 8 (AP)—President Roosevelt asserted today that a coalition of Congressional Republicans and Democrats had gambled with the welfare of 1,500,000,000 people in rejecting his neutrality programme and with the livelihood of 20,000,000 Americans in scuttling the lending and housing measures.

At his first press conference since the Congressional session ended, the President said that a solid Republican minority and 20 to 25 per cent of the Democrats in Congress had

CITY COUNCIL TO MEET SOON

Will Consider Aircraft Lease And Sports Arena Without Delay

Mayor Andrew McGavin said yesterday afternoon that he had sent a letter to M. E. Heiser confirming the tentative arrangement arrived at the day before between the lands committee and Mr. Heiser on behalf of the Helicopter Aircraft Company, regarding the lease of city-owned property to facilitate the building of an airplane factory.

"When Mr. Heiser replies, confirming his understanding of the arrangement, a special meeting of the City Council—not a public meeting—will be called to consider the proposed lease. We will have to attend to this matter without delay," said the Mayor.

Regarding the proposals submitted to the City Council on Monday by the civic auditorium and sports arena committee, the Mayor said that F. L. Shaw, city solicitor, and D. A. Macdonald, city-comptroller and treasurer, had been requested to examine the plan suggested by the committee.

"After they have done so, a special meeting of the council will be held, probably this week. If we have heard from Mr. Heiser by that time, both matters will be dealt with at the same meeting," Mayor McGavin said.

The Mayor added that as a result of the suggestion made by Alderman B. J. Gadsden at the council meeting on Monday, that the archives could be kept in a corner of the Mayor's office, he had the building inspector look over his room yesterday morning. "He found there was no room to build anything to hold archives in this office," said the Mayor.

ELECTION HELD BY KIWANIAN'S

Annual Convention of Western Canada District Ends at Regina

REGINA, Aug. 8 (CP)—Dr. Jesse K. Buehler, of Lethbridge, Alta., today was elected district governor at the concluding session of the twenty-first annual convention of Kiwanis International, Western Canada district. He was the unanimous choice of three districts.

Lieutenant-governors chosen were: D. H. Murdoch, Winnipeg; Frank J. Dickson, Swift Current; and E. McGavin, Edmonton.

Medicine Hat will be the scene of the 1940 Western Canada district convention.

An agency such as the service club was needed to dispense the apathy of the public where public affairs were concerned, Eward MacPherson, governor, said. Everything in public affairs was taken for granted, instead of becoming the consuming passion to see that Canada's freedom and rights were perpetuated.

"Unless we take a more active and aggressive interest, there may very well be a real threat to these things we consider so vital," he said. "It is not enough to applaud our liberties and then dismiss them without further thought."

GIVES UP EYE TO HELP BLIND MAN

DENVER, Aug. 8 (AP)—An unemployed man today gave up an injured eye in an effort to restore the sight of a Denver attorney blinded by a tear gas explosion.

A surgeon transplanted a slice of cornea tissue three-eighths of an inch square from the workman's eye over a window he had cut in the left eye of William E. Lewis, the blind attorney.

Both Lewis and Avery E. Davis, thirty-eight, the donor, were given local anesthesia during the operation at St. Joseph's Hospital. The outcome won't be determinable for several days.

Davis' eye was injured in a tunnel accident at Yakima Wash. He lost sight in it a year and a half ago and doctors advised him he might become blind in the other unless the injured eye was removed.

Acquitted When Identification Proof Lacking

William T. Williams, charged with breaking and entering the premises of Alexander Shavofal with intent to commit an indictable offence, was acquitted on the grounds of inadequate identification by Judge H. H. Shandley in County Court, yesterday.

The accused pleaded not guilty to two charges of a similar nature, one covering the entry of the Shavofal store at 100 Burnside Road on June 26, and the other of entering the Shavofal dwelling.

Williams and a William Dook were identified by Shavofal at the police station, evidence disclosed, but the pair was not picked out from a police line-up.

Joseph McKenna appeared for the accused and W. P. Lawson for the Crown.

Voices Appreciation Of Great Britain for American Assistance

Sir William McLean, Colonial and Public Health Expert, Expresses Thanks for Aid in Colonies—Will Speak Here on Friday

ON a mission to make public expression of the British Government's thanks to the people of the United States for assisting social advance in the British Colonies, Sir William McLean, K.B.E., a member of several advisory committees of the Colonial Office, and eminent public health authority, arrived in Victoria yesterday.

Sir William was asked this Spring by the British Secretary of State to represent the Colonies at the New York World's Fair, where there is a colonial exhibit in the British Pavilion. The object of the visit, he said, on arrival at the Empress Hotel, was to take advantage of the excellent opportunity given by the fair to express to as wide a section of the American public as possible Great Britain's appreciation of American aid in social services in the colonies.

To accomplish his aim, he has lectured in the Eastern States, at universities across the continent and on the Pacific Coast. In the course of the last few months, aid for the cause of social advance in the colonies has come from many sources in America. Sir William said Chief among them were the Rockefeller Foundation, which was primarily concerned with scientific research aimed at fostering public health, and the Carnegie Foundation, which has made large grants for the advancement of education in the colonies. Other assistance had come from smaller foundations, many American missions, and contributions of "money" from many private American citizens.

COLONIAL EXPERIENCE
Sir William is particularly well qualified to represent the British Colonies at the World's Fair and in the United States, since he has a long record of experience in the Colonial Civil Service behind him. For some years he has been a member of the Secretary of State's Advisory Committee on Education in the Colonies. Recently he acted as chairman of the Higher Education Commission to Malaya, and he previously served as a member of a similar commission to East Africa in 1937. Earlier in his colonial career he was interested in town planning, and prepared the plan of Khartoum, under the personal direction of Lord Kitchener, and the modern plan of Jerusalem, under Lord Allenby, in 1918.

During a term as a member of Parliament from 1931 to 1935, Sir William took an active part in colonial matters.

TO SPEAK HERE
Prior to his visit here, Sir William addressed meetings of the American Public Health Association and the Pacific Science Congress in San Francisco. He also spoke at the University of California, Berkeley; the University of Oregon, and the University of Washington. On Friday he will address a joint meeting of the Men's and Women's Canadian Clubs in the Empress Hotel, at 12.15 p.m., speaking on the subject, "The Social Services in the British Colonies." The public is invited to attend the lecture, which will commence at 1 o'clock.

Sir William's chief interest is the social services, and though close to members of the British Cabinet, he showed no particular concern over present international affairs. With reference to British rule in Palestine, he stated that a careful study of the white paper having to do with the British scheme for Palestine would assure critics of British administration that none of British pledges with respect to the Holy Land had been broken.

Sir William will leave Victoria on Friday, and proceed through the Canadian Rockies to Winnipeg, where he will address a public gathering. He will then return to New York, remaining there until October, when he and Lady McLean will sail for the Old Country.

CHALLENGE IS ISSUED

Saanich Replies in Controversy With Victoria Over Sewage Question

A challenge to Victoria to prove that drainage from Saanich was affecting the city was issued at a meeting of the municipal council last night.

Reeve A. G. Lambriek reported that he had conferred with Dr. H. E. Young, Provincial Health Officer, and Hon. Norman W. Whitaker, M.P.P. for Saanich, on the question of a sewage system for the municipality, yesterday afternoon. As a result, he said, he had written a letter to Dr. Young, pointing out Saanich's position.

TEXT OF LETTER
The reeve's letter, which was approved by the councillors, was as follows:

"The Saanich council would be pleased to have the City of Victoria, or its representatives, accompany them, at any time they have any reason to complain, with regard to Saanich's drainage, allegedly affecting the City of Victoria. We also expect those city representatives to co-operate with us with regard to any drainage from the City of Victoria which might affect the municipality. We will kindly request co-operation from them in this matter."

"In regard to further request as to the view of the Saanich council on a municipal sewage system.

WATER SYSTEM
"Due to the fact that a large volume of water is necessary for sewage purposes, we believe an adequate water supply at a reasonable rate is our first consideration in order to make a Saanich sewage system practical and economical. This we hope to obtain shortly through the development of our own well system.

"We feel that an up-to-date modern system of sewage disposal, entirely independent of the City of Victoria, is the proper course to take, and this we have in view, providing it is of course, satisfactory to the ratepayers affected."

"The Saanich council hopes that in future you will insist that those complaining prove their statements, as we wish to co-operate with our neighbors."

It was decided that the water committee would meet as soon as certificates have been obtained from the Provincial Health Department and the Royal Jubilee Hospital with regard to the purity of water taken from the Saanich test well near Cordova Bay. At that time the committee will discuss the advisability of proceeding with plans for the installation of a well system in the municipality.

An application from A. D. Frumento for a permit to construct a motor speedway on the McRae property at Cedar Hill was laid on the table until the applicant produced proper plans of the undertaking.

Previous to the council meeting a public hearing was held on the proposal.

OFFICIAL ALOOFNESS

There is now a delegation of Canadian manufacturers in England seeking to secure military orders for Canadian industry. It was hoped that such a delegation would have been blessed with Government support and that all the influence of the Administration could have been obtained to forward the purposes sought.

It is because of lack of co-operation by the Government that military orders in Canada from Great Britain are lacking. The Government's "aloofness" has lost Canadian manufacturers millions of dollars worth of business.

The delegation of the Canadian Manufacturers' Association has been instructed to assure the British authorities of the willingness and ability of this country to participate and co-operate in military preparations.

CANADA'S AIR FORCE

In its issue of last month Canadian Aviation says: "It is a startling fact that while Great Britain turns out over 800 warplanes a month we have not even ordered a single Canadian-built airplane in over eighteen months."

Since the article appeared in Canadian Aviation the Department of National Defence is reported to have let a contract for twenty-five "Fleets" to the Fleet Aircraft Company. It is now three years since, with increased appropriations, that Department has been telling the people of Canada that it is doing towards aviation.

SOUTH-WEST AFRICA

Sir Abe Bailey has issued a warning that there is a movement afoot in South Africa to return South-West Africa to Germany and that more than one political group and some prominent politicians are associated with it.

Sir Abe believes that the foregoing assumption "profoundly misjudges the whole history of South Africa and jeopardizes the place it occupies—a position of enormous strategic and moral importance in the group of democratic states, inside and outside the Empire, which refuse to bow the knee to the Berchtesgaden Baa."

pouring of propaganda is paying particular attention to South Africa, which explains the movement for the cession of the former German colony. He sees there, says Sir Abe Bailey, "possibilities of a crack in the democratic dyke."

ANGLO JAPANESE SITUATION

Mr. Neville Chamberlain, in a recent statement to the British House of Commons, said he proposes consulting the Dominions about the Anglo-Japanese situation. There is not very much use in consulting Canada because Mr. Mackenzie King is on record as saying his Government can do nothing in Imperial and foreign matters without the authority of Parliament.

"Mr. King," says The Ottawa Journal, "talks about not 'committing' Parliament. As a student of parliamentary and constitutional practice, he must know perfectly well that he couldn't commit Parliament if he wanted to commit it."

GERMAN PROPAGANDA

There is what is called "World News and Views," a German newspaper for Canada, published in this country. The issue for August 2 contains an excerpt of some 1,800 words from Herr Hitler's Reichstag speech of April 28, the extract dealing with German-Polish relations.

The newspaper is published from 43 Louise Street, Winnipeg. It is a propagandist sheet in all particulars, and that it is not published particularly for Germans is indicated by the fact that it is in English.

THE WEATHER

What's in a Name?

As Shakespeare, or somebody, remarked long before the era of jittersburg and asphalt roads, "What's in a name?" Apparently there is a nomenclologist at Vancouver who thinks there is plenty during the course of his annual vacation, the office boy went to the Mainland on a mild spree.

There he met said nomenclologist and unfolded to him his long tale of woe. Most office boys have similar tales to spin, but usually nobody pays any attention. Not even the boss. To make a long story short, the "number jigger" close at hand, "Apple Blossom," who toils through the Summer vacation at premises picturesquely known as "The Mud Hook," recently celebrated her seventeenth birthday.

Glancing Over Sport

Do you know that they are betting at odds of 10 to 9 along Broadway that "Henry" Armstrong will retain his boxing crown as the expense of his very worthy foe, Lou Lumber, when they clash on August 22 in the Yankee ball park?

RE-ENLISTMENT

Since the Armistice the problem of the maintenance of the establishment of personnel has been a perplexing one, owing to the appearance of civil unemployment, and most of the gunners complete their periods of engagement and are keen to re-engage. There is thus no need to draw on Imperial Army reserves or pensioners.

Mexican Advertising

Mexico is losing its time in seeking to make a trade agreement with us by the tone of one radio broadcast which was heard in Victoria the other night.

A Rare Opportunity

On Wednesday evenings at 8 o'clock there is a lecture given by the Astronomical Society of the Royal Astronomical Society, co-operating with the tourist-travel group of the Chamber of Commerce, will mount telescopes on the side of Beacon Hill.

A Continental Population

It is interesting at this time, as one walks along the streets to note the number of automobiles which are parked or moving along the thoroughfares of Victoria.

land for the year round creates a desire in others to enjoy the local weather. Visitors to Victoria must be made welcome, and nothing that would mar the attractiveness of the city should be allowed to interfere with the flow of tourists.—O.H.N.

PERMANENT COAST DEFENSE ARTILLERY

By MAJOR F. V. LONGSTAFF, ARTICLE V

On the inauguration of Dominion Garrison Artillery companies at Esquimalt in 1906, and Halifax in 1908, the maintenance of the working strength of personnel proved very difficult. Civil employment and wages were then good all over Canada, hence it was difficult to get many of the gunners to even complete their engagement of three years, let alone a re-engagement.

It is probable that the first reason for leaving garrison companies permanent down to stations was the high cost of railway transport of the same, both the officers and other ranks, and not least, the families and furniture of the married officers and gunners. But there is no doubt that the four of units, the maintenance within the Dominion would have increased their efficiency in many ways.

WESTERN MOVE ENDS

Now that we had reached the Pacific Coast, what was there to be asked? He felt that a society like Kiwanis could do a great work for future generations in making ready for those who came after them. They could learn from the coral insects, which little by little raised the coral islands of the sea.

LETTERS TO THE EDITOR

First to the Editor: I am interested to read your article on the subject of the "Western Move" and the various other matters mentioned in it.

ST. STEPHEN

Sir—In reply to Mr. Granville Cuppage's inquiry as to who was St. Stephen and the reason why the West Masquerade was celebrated in Ireland on this saint's day I thought that it is generally known that St. Stephen was the first Christian martyr. He suffered death by stoning, the account being given in Acts VI. The reason why the "wren" is connected with the martyrdom is because, according to legend, while St. Stephen was escaping from prison, a wren flew in the face of his jailor who was asleep. This wren took the custodian and prevented the saint's escape. It was the custom for many years in Ireland for boys on St. Stephen's Day, December 26, to kill as many wrens as possible, following up with the ceremonies and masquerade mentioned by your correspondent.

BEER PLEBISCITE

Sir—I wonder if we are all aware that on Thursday, August 24, we who are on the provincial voters list in the city are going to the polls to vote and decide whether or not the much publicized charter of our city is to be married by beer parlors.

FIFTY YEARS AGO TODAY

From The Daily Colonist of August 9, 1889: Telegraph Line—T. D. BEAR HUNTERS

Dr. Devis of Nanaimo, and W. J. Geopel of this city, who have been spending a few days in the neighborhood of Cameron Lake returned to Nanaimo on Wednesday with four bears, one wolf and a good stock of hunting yarns for their friends.

ARTISIAN WELL BORING

The public and more especially the residents of Vale district, will be pleased to learn that the Government has taken steps to ensure the active prosecution of well boring, with a view to ascertaining whether artesian water can be obtained in the interior. Several proposals were sent to the Lands and Works Department in answer to the advertisement, but none was considered quite satisfactory by the department. A contract has been entered into with Mr. Ross, Mount Lehman, Fraser River, under which that gentleman, who has had considerable experience in driving wells, has given bonds to sink 500 feet every sixty days at a stipulated price per foot.

MAKES APPEAL TO AID ISLAND

John F. Bledsoe Tells Victoria Kiwanis Club of Riches of This District

J. F. Bledsoe, basing an address before the Kiwanis Club yesterday in the Empress Hotel, on the motto of the organization, "We Build," traced the history of the race from the earliest times to the present which he said was represented in a steady trek westward. He concluded with an admonition to his hearers to work for the development of Vancouver Island, which he made the greater of the two islands and working grounds in the world.

The speaker said the motto of the club was a call to action, which was not new in the world. Going back to the original Hebrew, he pointed out that the history of the race from the earliest times to the present which he said was represented in a steady trek westward. He concluded with an admonition to his hearers to work for the development of Vancouver Island, which he made the greater of the two islands and working grounds in the world.

According to Culbertson
Dear Mr. Culbertson—A group of eight of us submitted an appeal of North's club and at the same time expressed North's great playing strength. That makeshift would be three hearts. South would respond with four hearts and North then should jump to five spades. After that it would require no further South's part to go to six spades for in South bid six hearts North, of course, would bid six spades.

EDWARDS IN NET VICTORY

Victorian Defeats Tacoma Player in Tennis Meet On Duncan Courts

DUNCAN, Aug. 8 (CP)—Play in the Pacific Northwest sectional tennis started here today with a strong entry of players from Seattle, Tacoma, Irvington, Vancouver, Victoria and Duncan. Mel Dranga, Victoria, came through two rounds of singles with straight-set victories over Hank Bennett, Victoria, and William Taylor, of Tacoma.

Commander Edwards of Victoria, was extended to three sets to win over George Chesnum, of Tacoma, 6-7, 6-3, 6-4. The only other three-set singles was between Ron Sidaway, last year's Vancouver city champion, who won over W. Davis, of Irvington, 2-6, 6-2, 6-3.

The semifinals will be resumed and first round matches of the open championships will start tomorrow. All players not specially excused will be required to report at 10 o'clock.

The two matches played in the sectional doubles were both close and provided excellent tennis. The Vancouver pair, Sidaway and Hayden, were ousted to extra games to put away Hocking and Bennett, of Victoria, and the Vancouver pair, Brown and Hender, were given a good battle by two players from Irvington, Sam Lee and W. Davis.

Men's Singles—First Round
 Mel Dranga (Seattle) won from Hank Bennett (Victoria), 6-4, 6-0.
 Jack Brown (Vancouver) won from Erick Lehey (Duncan), 6-2, 9-7.
 J. C. I. Edwards (Victoria) won from George Chesnum (Tacoma), 6-7, 6-3, 6-4.
 Sam Lee (Irvington) won from Stan Hayden (Vancouver), 6-1, 6-1.
 Ron Sidaway (Vancouver) won from W. Davis (Irvington), 2-6, 6-2, 6-3.

Second Round
 Charley Hunt (Seattle) won from H. Hender (Vancouver), 6-3, 6-2.
 Mel Dranga won from W. Taylor (Tacoma), 6-0, 6-0.

P.W. SECTIONALS
Men's Doubles
 Ron Sidaway and Stan Hayden (Vancouver) won from Hocking and Henry Bennett (Victoria), 10-8, 6-4.
 Jack Brown and H. Hender (Vancouver) won from Sam Lee and Walter Davis (Irvington), 7-5, 6-4.

RADIALS GIVEN BIG RECEPTION

Dominion Football Champions Extended Welcome On Return Home

VANCOUVER, Aug. 8 (CP)—Vancouver Radials, now Canadian soccer champions, are home today with the same trophy North Rhos United, from North Vancouver, captured last year.

The victorious team arrived last night with the second Dominion championships to come here within a week.

The Dominion Football Association Trophy—the Connaught Cup—was won by an Eastern Canada team in 1935, when it was won by Montreal.

Johnston Nationals, of Vancouver, won the cup in 1937 and New Westminster Royals captured the trophy in 1936.

Radials won the 1939 championship last Saturday in the final game of their series with Montreal Carleton, at Winnipeg.

They were greeted at the railway station by Mayor Lyle Telford, soccer officials and hundreds of football fans and friends and paraded through the main streets on an open observation car. Hundreds of automobiles accompanied the parade.

A civic banquet will be held later this week.

TAKE CLOSE BOXLA GAME

Conservatives Hold Off Alerts and Win, 17-16, In Senior Tilt

Seniors—Conservatives 17, Alerts Service 16.
 Midlegs—Times Terrors 9, Foul Bay 8.
 Friday's Games:
 Seniors—Conservatives vs. James Bay.
 Juveniles—Owl Drug vs. McLean's Bakery.

Rallying in the final quarter, after trading throughout, Manager Harry Ferguson's Alerts Service fighters last night dropped a heart-breaking 17-16 decision to Coach Gus Munroe's Conservatives in a senior box lacrosse fixture played at the Victoria Sports Centre. The win gave the Conservatives sole occupation of second berth, and dropped the Services into the cellar, two points behind.

Conservatives held a six-goal lead as the clubs entered the final stanza, and the fans figured the game was in the proverbial bag. As it happened, it was. But those fighting Alerts really threw a scare into the heavier Conservatives and had Coach Munroe worried, so worried in fact, that he kept Fred Harding, official timekeeper, doing extra chores answering his many questions as to the playing time.

The eventual winners—set up a 4-0 lead in the opening stanza, but a game Alerts aggression sliced the advantage to a pair of markers by the time the half-time rest interval arrived. The score at that stage was: Conservatives 8, Alerts Service 6.

SERVICEMEN FADE
 Servicemen fell away badly in the third canto and their opponents rammed in seven markers while they were adding three, and reached the three-quarter mark on the long end of a 15-9 score. But the Alerts, known for their final stanza fight, really created plenty of excitement for the fans last night. Slowly they cut the lead, and each time they scored the spectators showed their approval in no uncertain way.

Little more with the Alerts. The Servicemen battled bitterly in a dying effort to pull the game out of the fire and only just missed. Wally Williams was the sparkplug of the final session attack and led the way with four well-earned tallies. Once again the Alerts, Norman and Ralph, led the way for the Conservatives, scoring ten of their seventeen goals. Williams was the Alerts' high man with seven markers, and Harold Bishlager was in second place with four tallies.

Play was fast and rugged with flashes of good stickhandling, but at stages the work of the two clubs was very ragged.

AT GOVERNMENT HOUSE
 After lunch the Duke and members of his party played golf at the Oak Bay links and later enjoyed a swim in the Crystal Garden pool. Last night the members of the dual party, which includes the Earl of Warwick, known to Hollywood as Earl Brooke, screen actor, Mrs. Elizabeth Sutherland-Lesonski, the eighteen-year-old niece of the Duke, who is her presumptive heir, and the Earl of Sutherland and the Baroness of Strathmore, her friend, Donna Topham Cretan, Mrs. Audrey Sloane-Stanley, Dr. MacDonald, of London, and Major G. Phillips, the Duke's private secretary, were entertained at dinner at Government House.

"We may have some more soft tomorrows before we sail," was the Duke's parting remark as he prepared to leave for dinner with the Lieutenant-Governor. I remember Coleman's (1), Hartstrom (2), Thompson and Ludbrook (2), Total 17.

FAST VESSEL
 Commanded by Capt. Edgar Thomas, the Sins Pear left Vancouver at 6:15 o'clock yesterday morning and reached the C.P.R. Belleville Street dock at 11 o'clock. She has a cruising speed of sixteen knots, and can attain twenty knots when her twin 1,740-horsepower Diesel engines are turning over at full speed.

The yacht bears the coveted crest of the British Royal Yacht Club, and the most exclusive yacht club in the world.

She is 210 feet long, with a beam of thirty feet and a draught of twelve and one-half feet. Her wide deck space started port and aft, compared favorably with any coastwise passenger vessel.

Launched at Southampton in 1933, the Sins Pear, with her gleaming white hull and squat funnel as a luxury vessel in every respect. She is fitted with a 200-horsepower motor, with a cruising speed of 16 knots, without having to stop at any port for supplies.

LATEST EQUIPMENT
 Of all-steel construction, she is equipped with a radio direction finder, radio telephone and telegraph apparatus. She carries a crew of twenty-seven, and is fitted with eight large staterooms containing every modern convenience.

Capt. C. S. Smitly, retired B.C. Coast Service skipper, will remain aboard the Sins Pear as pilot during her cruise to Alaska.

Brothers of Captain Thomas and Captain Smitly were shipmates aboard the wandjammer "Britannian" fifty years ago.

RECEIVES INJURIES WHEN CARS COLLIDE
 Mrs. Betty Sanderson, 1654 Hampshire Road, sustained a broken collarbone and cuts on her left arm as the result of an automobile accident at the intersection of Cranmore Road and St. Anne Street yesterday afternoon about 5 o'clock.

According to a report from the Oak Bay Police, the drivers of the cars were Mrs. W. R. Russell, 1795 Foul Bay Road, and E. Broussom, Gordon Head. Miss Sanderson was a passenger in Mr. Broussom's automobile. The injured girl was removed to the Jubilee Hospital, where she was attended by Dr. R. C. Newby.

COOKE LOSES IN NET MEET

Bob Kamrath Puts Out Seeded Player in Eastern Tennis Play

RYE, N.Y., Aug. 8 (CP)—Bobby Rigg and Edwood Cooke, who reached the Wimbledon finals together in both singles and doubles, ran into trouble today in the second round of the Eastern United States tennis courts championships and only Rigg was equal to it.

Rigg stood only one game from defeat before finally overtaking Chester Murphy, a fellow Chicagoan, 4-6, 6-2, 10-8. Young Bob Kamrath, of Austin, defeated Cooke, 1-6, 7-5, 6-3.

Don McNeill, of Oklahoma City, and Frankie Parker, of Beverly Hills, Cal., each advanced to the third round with Rigg.

Alice Marble, defending women's champion, remained idle for the second successive day while the rest of the field drew abreast in the third round. The only occurrence of moment was the defeat of Nina Brown, newest member of the British Wightman Cup team, by Pauline Betz of Los Angeles, 6-4, 6-0.

Alexis Scott, Mary Hardwick and Mrs. Fred James Hammett, England's other Wightman Cuppers, advanced easily.

Another headlines who reached the third round was Henry Prosser of Seattle.

ADANACS DEFEAT BURRARD SQUAD

NEW WESTMINSTER, Aug. 8 (CP)—New Westminster Advance moved within two points of the league-leading Vancouver Burrards by virtue of a 13-12 victory over the latter team in an Inter-City Box Lacrosse League game here tonight that was a close and exciting overtime.

Burrards are leading the league with thirty-two points. Adanacs are second with thirty New Westminster Salmonbellies third with twenty-four. Richmond Farmers fourth with fourteen and North Shore Indians last with two.

Each team netted three goals in the first quarter before Burrards ran ragged in the second and led the half-time period with a 9-5 advantage.

New Westminster outscored the visitors, 3-1, in both the third and fourth quarters to finish regular playing time with score all tied up at 11-11.

Johnny Dale set Burrards ahead, 12-11, but the fast goals by Ted Bradbury and Bob Pielan sewed up the game for Adanacs.

Bradbury and Pielan each netted three goals during the game, while Dale topped Burrard snipers with five goals.

STOMACH-ACHE MAY NOT BE DUE TO EATING
 A physician making his rounds of calls stopped at a restaurant and ate some fresh fish of which he was very fond. After leaving the restaurant he had only driven a couple of miles before he had a most intense and violent headache, a pain in the stomach with a great desire to vomit. He stopped his car for a few minutes and finally drove home where a vomiting spell gave some relief, but the headache persisted after a couple of days rest in bed with no relief from his headache.

He called in another physician who also attributed the headache and vomiting spell to poisoning from the fish. After two more days went by the physician, and patient also concluded that the persistent "splitting" headaches were due to the fish, but so some pressure on the brain. The removal of a little fluid from the spinal column gave instant relief from the severe headache and desire to vomit.

Most of us with a headache, stomach-ache and a desire to vomit are apt to blame these symptoms on some food eaten, whereas vomiting, headache, and pain in the abdomen may be due to disturbances far removed from the abdomen.

Dr. Harry Cass, Denver in The Journal of the American Medical Association makes the interesting statement: "Acidic stomachs are not always stomachaches even if they ache. Sometimes when you think your stomach is aching it isn't, even though it is. The brain can be diseased and the pain or symptom telegraphed to the stomach."

The abdomen has been properly called the barometer or spokesman of the body. It calls attention to the trouble best done, and where the trouble is really located. The severity of the pain is no guide to the location of the cause. The most violent type of abdominal pain may arise from causes inside the abdomen, as in the case of gall bladder colic or from causes outside the abdomen as in heart disease.

Certain diseases of the brain are apt to produce digestive disturbances—brain tumor, epilepsy, migraine. The thought then is that with there is abdominal pain and vomiting, apparently not due to food, the fact that other organs outside the abdomen—heart and brain—may be causing the symptoms should not be forgotten.

A woman, it is said, would account of a perfect husband. "Perhaps—but she'd have to find him first."

City and District

Fire Extinguished—A grass fire in the 2700 block on Beach Drive was put out by the Oak Bay Fire Department at 3:20 p.m. yesterday.

Thanks Council—Sister Mary Kathleen, Superior, St. Joseph's Hospital, has written to the Mayor and City Council thanking them for the gift of a piece of the red carpet used at the City Hall during the visit of the King and Queen.

Meeting in Nanaimo—An inter-city meeting of Kiwanis will be held in Nanaimo on Wednesday, August 23. At the luncheon meeting of the local club yesterday, Darrell Spence made an appeal for a large turnout from Victoria at this joint meeting.

Now A HEINTZMAN for your home

WHILE your children are young, that's the time to provide them with the beginning of a musical education. They learn so easily, and a few years from now when their school work is much more difficult, they will find relaxation and pleasure in being able to play for their own diversion. Now is the ideal time to exchange your present piano for one of the new, compact Heintzman models. There is a liberal trade-in allowance and the balance—can be arranged to suit your convenience.

EXPLOSIONS MYSTERIOUS

Blasts Heard Thought to Have Occurred on Motor Vessel

SEHELT, B.C., Aug. 8 (CP)—A British Columbia politician whose name was not available said tonight he had heard "four or five" explosions about 10:30 p.m.

The politician said the explosions, "very indistinct" apparently occurred "some distance" from this small Sehelet Inlet town about twenty miles north of Vancouver.

He thought the first blast might have been thunder, he said, but when later rumblings were heard he decided they were explosions.

The provincial officer said he had "no idea" where the blasts came from, or what caused them.

If the explosions were aboard a small fishing boat, he said, "maybe we'll never find out what happened."

HEARD FOR MILES
 The telephone operator at Bowen Island in Howe Sound a few miles from Vancouver, said the blasts were heard as far north as Pender Harbor, fifteen miles from Sehelet.

He said that a caretaker at Tumbull Bay on the north shore of Bowen Island reported he had heard loud explosions which shook his house. When he hurried outside he saw huge sheets of flame shoot out from behind Paisley Island to the north.

The operator said the general opinion at Bowen Island seemed to be that the blasts were caused by explosion of gasoline drums on a motor vessel.

PORTLAND, Ore., Aug. 8 (CP)—Oregon mountain forests were ablaze today, being consumed by a fire that defied efforts of more than 2,000 men to control it.

Hot weather continued to plague the fire combatants along with a heavy and unfavorable wind. Portland got a high temperature of 96 today. Medford and Roseburg 100. Eugene 96. Baker 85 and Pendleton 89.

Washington, although spared seasonal conflagrations, perspired under temperatures that made forests dangerously dry. Seattle reported 90 degrees, Chehalis 83, Spokane 86. Coastal points also not comparatively high readings—Newport 84, Astoria 86, Hoquiam reported a seasonal record high, 97.

Although fire-pockmarked Oregon all others were dwarfed in size by the gigantic Saddle Mountain blaze that roared over some 20,000 acres in Tillamook, Washington and Clatsop Counties, threatened the water supply systems of McMinnville and Hillsboro, did an estimated amount of damage to mill and logging camp equipment and buildings, and was still utterly uncontrolled tonight.

FIGHTERS WITHDRAWN
 Firefighters were withdrawn from their front lines by District Fire Warden Cecil Kisk, who said it would be suicidal to stay in the inferno line of march.

Combatants said it was impossible to estimate the damage to camps, logs and logging rail lines, but stated at least three camps of the Flora and Yamhill logging companies were known to have been damaged or destroyed.

England's Spirit Cheerful Caddie Pocket for Golfing Says Returned Delegate

Mrs. K. Mead-Robins, Who Represented British Columbia at Countrywomen of the World Conference in London, Returns Home

Mrs. K. Mead-Robins, official delegate from the British Columbia Women's Institutes to the ten-day triennial conference of the Countrywomen of the World, held in London last month, has returned to Victoria enthusiastic in her praise of the splendid spirit and cheerfulness of the women of the Old Land during the period of strain through which the nation is passing.

"The attitude of the people as a whole is simply splendid. Everyone is busy doing something to help, and no one seems to be worried," she reported.

Leaving here on May 1, Mrs. Mead-Robins traveled to England by the Red Star Line. She had time for some sightseeing and visiting before the conference, opened on June 30.

Presided over by Mrs. Alfred Watt, formerly of Victoria, who was the founder of the organization, the conference was attended by women from practically all the civilized countries of the world and discussions ranged over a wide field, embracing all the tropics that ordinarily come within the compass of the Women's Institutes. Mrs. Mead-Robins will give a digest of these discussions in her official report to the Women's Institute in the Autumn.

RECEPTION AT GUILDHALL

Among the events in the elaborate entertainment programme arranged in connection with the conference was the reception by the Lord Mayor at the Guildhall, and other receptions by the Foreign Office, the Worshipful Company of Goldsmiths, the Hon. Vincent Massey and Mrs. Massey, and at the Italian and South African Embassies. Delegates also attended an "at home" given at the Forum Club to meet Her Highness Princess Marie Louise, who is an aunt of the King. Invited to the Buckingham Palace garden party that was cancelled owing to rain, Mrs. Mead-Robins later enjoyed the experience of standing in the forecourt at the palace on the day when Their Majesties drove through to attend the big review in Hyde Park.

A Londoner by birth, Mrs. Mead-Robins said that the enormous building programme of the past few years had completely obliterated many of the old landmarks.

On arrival in Vancouver on her way back, she was welcomed by her son, G. Mead-Robins, of James Island, who made the trip over to the Mainland by airplane.

Mrs. Mead-Robins, whose home is on East Spanish Road, Elk Lake, is secretary of the Royal Oak Women's Institute.

The woman who golfs will applaud this design by McMullen, called "caddie pocket," in striped chambray. The dress gets its name from the pocket zipped low in the right side seam, out of the way of swing and stride. It is roomy enough for change purse, lipstick, hanky and cigarettes. Bodice has yoke back fullness for good golfing form. Distinction is given this dress in the colorful belt and wide candy stripe of the chambray.

Rich Fabrics Forecast for Winter Wear

PARIS, Aug. 8 (AP)—Fashions shown in Paris during the past week forecast a winter without war and peace with luxury.

Stunning silks and jewel-embroidered, ostrich plume-shoulders and feather-lined capes, pink-dyed ermine and jade-dyed fox were glamorous items the dressmakers assembled in luxury's cause to demonstrate faith in an undisturbed future.

They sprinkled sparkles on sealings and rhinestones on morning frocks. They contrasted Spanish Infanta styles with Greek draperies, and Chinese tunics with Turkish trousers.

Taken from 1880, bustles backed day coats and evening skirts. Fur boxes, ribbon loops and fabric pleatings made bustles by day. Silk puffs, with nesting creases or huge butterfly boxes fashioned bustles for the evening. Other 1880 influences were low-tied 18ms, back-fitted capes, oval-shaped tiny toques and white ruffled neckties.

New wide-shouldered evening frocks were romantic throwbacks in heavy brocades and stiff satins. They had

Y.W.C.A. Outing
Last Monday evening the beach party and marshmallow roast brought enjoyment to club girls of the Y.W.C.A. at Horseshoe Bay. An interesting feature of the evening was the accounts given by various girls of their holidays and the places they had visited. On Thursday evening at 7:30, another beach party will be held, when a winner, roast will be the feature of the evening. Girls are asked to take bathing suits and flashlights. The party will leave from the Y.W.C.A. Any visiting girls interested in this sort of an outing are cordially invited. During the month of August, while the evenings are so lovely, it is hoped that each club may have one outing to which all members will come. These will be planned by the club executives and individual members will be notified.

CIRCUS RULES

Women who attended a recent bazaar sale in a London suburb were described as "fighting and wrestling like tiger-cats." Under scratch-as-scratch-can rules, no doubt.

Lovely Gowns Seen at Liberal Party Dinner

TORONTO, Aug. 8 (AP)—Liberal women by the hundreds joined in tonight's demonstration of party affection for Prime Minister Mackenzie King, and they dressed for the occasion pretty much as the best dictated.

The temperature was around ninety degrees, and formality in dress was confined to the main dining room, where sat the wives and daughters of provincial Prime Ministers, leading party officials and women who themselves occupy official positions in the party.

There were formal evening frocks of lace and satin, dinner gowns of pastel flowered chiffons—and there were also plain silk afternoon frocks and Summer tailored outfits.

AT THE "HEAD TABLE"
Formality reigned at the "head table" for women, placed immediately in front of the head table where sat the Prime Minister and his Cabinet.

Protect that Precious Life with 'DETTOL'

These very precious lives—Mother and Baby—everything must be done to protect them from danger. Above all, be careful what antiseptic you use. 'Dettol', the modern antiseptic, kills germs, but cannot harm even the tender skin of a baby. Many Maternity Hospitals in many lands now use it. 'Dettol' is valuable not only when baby is born, but whenever an antiseptic is required to safeguard the health of Mother and Child. 'Dettol' Antiseptic is non-poisonous, non-staining, several times as strong as pure Carbolic Acid, has a pleasant odour, is gentle to human tissue and is an effective deodorant.

Take no risk—get 'Dettol'. Ask your Doctor or Nurse—they use it. Your Druggist has

Port Alberni Is Scene of Big Wedding

At Port Alberni on Sunday morning the marriage of Hilda Elizabeth, only daughter of Mr. and Mrs. John Clarke of Nanaimo, and Mr. Frederick John Patton, only son of Mr. and Mrs. A. J. Patton, 1154 Old Esquimalt Road, Victoria, took place at 9:30 o'clock in All Saints Church which was beautifully decorated with standard baskets of gladioli, golden glow, pink Shasta dahlias and ferns.

Rev. Chas. Stevenson officiated and Mr. J. Houtt was at the organ. As the bride entered the church with her father the congregation sang the hymn, "The Voice That Breathed O'er Eden, The Voice That Promised Me."

During the singing of the register Mr. Houtt was lovely in his gown of white starched chiffon over white-satin with short puff sleeves and yoke with inset of lace, and tiny ruffles of lace outlined the low neckline. Her slim, silk-embroidered veil was fastened with a coronet of orange blossoms, and she carried a bouquet of lily of the valley and white roses.

There were five bridesmaids. Mrs. M. Clark, aunt of the bride, was the matron of honor in a princess gown of yellow chiffon with bolero applied in very blue silk. Her train made life with lace gossamer in the very full skirts. The bridesmaids wore primrose silk net, and Miss Anna Maria wearing primrose silk net, and Miss Mose Olander, cousin of the bride, in very blue silk. Her train made life with lace gossamer in the very full skirts. The bridesmaids wore gold lockets and all carried bouquets of gladioli.

Received Useful Gifts
Miss Rowena Carlow, a bride-to-be this month, was the guest of honor last evening when Mrs. Dean Tubman and her sister-in-law, Miss Marjorie Tubman, entertained at a kitchen shower at the home of Mrs. Tubman, 143 Ontario Street. Mauve and white sweet peas were arranged throughout the house. Miss Carlow received a corsage bouquet of sweet peas and fern, and was led to a chair under a wedding bell which hung from an archway decorated with green and cream streamers. She was presented with a large box gaily trimmed in shades of green and cream which contained the gifts. Games were enjoyed during the evening and a buffet supper was served. The table, covered with a Madras cloth, was centred with a crystal bowl of sweet peas and lighted by white candles in silver holders. The invited guests were Mesdames E. A. Carlow, P. Kelly, E. Clarke, A. Sianell, A. Barr, J. Lipp, G. Minnie, E. P. Carlow, A. Kellett, O. Lalonde, E. McDonald, H. Sullivan, J. Barr, Harriett, N. McIntyre, D. Simms and Miss Nora Lalip.

Anniversary Is Celebrated At Nanaimo

NANAIMO, Aug. 8.—Mr. and Mrs. Herbert Addison, South Wellington, celebrated their silver wedding anniversary tonight, entertaining fifty relatives at dinner.
It was the eighth silver wedding anniversary held here in the Addison family out-of-town married couples, who have lived in Nanaimo for thirty-five years.
On behalf of the family, Mr. Albert Addison, bachelor brother, presented a silver tea service to Mr. and Mrs. Herbert Addison, who were married in Christ Church, Whitehaven, Cumberland, England.
The Addison family—six brothers and four sisters, all living in Nanaimo and district—with their children, now numbers one hundred. Two years hence another silver wedding in the family is expected.

GERMANY INCREASES DEFENCE MEASURES
Continued from Page 1
A fine up to 150 marks (about \$80) or six weeks' imprisonment is provided for failure to fill out the registration card or for deliberately answering any questions falsely.
Despite Germany's preparations to put the nation on a preparedness footing, there were declarations no war was in the offing so far as Germany's intentions are concerned, and that Chancellor Hitler would find a peaceful solution to "pending questions."
Aside from the registration order, there were these important steps:
1. Army and Hitler Youth leaders agreed on a plan whereby future Hitler Youth leaders will receive pre-military training under experienced army officers.
2. Filling stations were cautioned to limit the sale of gasoline.
3. In many centres, especially in Southern Germany, requisitioning of trucks for military manoeuvres was ordered.
4. Hitler ordered that beginning on Thursday a film depicting Germany's Siegfried line—the fortress system facing France—must be shown in every German movie house.
5. The press, with a unanimity indicating disquiet, from a central authority, intensified its anti-Polish campaign.
Pre-military practice in rifle shooting, signalling, topography and similar field work has long been a part of the Hitler Youth programme, but the instructors were Youth Movement leaders. Some 60,000 picked young men will be under army command as a consequence of the new ruling.
The film showing the Siegfried line—designed to convince the German people that the western fortifications are invincible.
MUST SHOP ABOUT
At many filling stations in Berlin gasoline purchasers were told regular customers could get only ten to fifteen litres (about two and a half gallons) of gasoline, for by going from station to station they could obtain all they needed. It meant, however, that many drivers began to think in terms of the most economic use of their vehicle.
GONZALES COOL SPOT IN VICTORIA
Continued from Page 1
Soaring to 92.3 degrees at 4:30 pm. Last year's peak at Nanaimo was 93. Port Alberni on the western side of the Island was an even hotter town yesterday, with the maximum temperature coming within a degree of the 100 mark. This also was a record for this year.
HIGH TEMPERATURES
Other high temperatures recorded were at Kamloops, maximum 92 degrees. Prince George 89 degrees. Cranbrook 89 degrees. Vancouver's high mark was a degree less than that of Victoria.
The forecast is moderate to fresh northerly winds for Victoria, bringing more fair and warm weather, and no sign of rain. There may be some slight change tonight when clouds are expected to appear in what has for days been a cloudless sky.
Pressure is relatively high in Northern British Columbia but is falling along the coast and is low over Oregon. Humidity remains dangerously low in nearly all parts of the province.

Children Enjoy Picnic Meals At Orphanage
The ladies' committee of the Protestant Orphan's Home met on Monday afternoon, with Mrs. F. V. Longstaff presiding. Miss Murray and Miss Newbury, visitors for the month of July, found everything in order and were impressed at the homelike feeling that prevailed with the children enjoying their vacations at picnics held at Foul Bay Beach. Through the kindness of the Gyro Club one of the boys is enjoying a holiday at the Y.M.C.A. camp.
The Junior Auxiliary to the Home has been working hard sewing clothing for the children. The prettiables have been placed in the grounds and are constantly in use, the children thoroughly enjoying their meals out of doors in the hot weather.
There are forty-two children in the Home at present. Mrs. Grimson and Mrs. Dinamore will visit the Home for August.

ENTERTAINMENT PARTY VISIT SUNSHINE CAMP
On Wednesday an entertainment party sponsored by the Kiwanis Club of Victoria, visited the Fred Lamborg Sunshine Camp.
The varied programme presented was greatly enjoyed by all the mothers and children and staff. The Misses Jesse and Dorothy Pollock performed Scotch dances to the accompaniment of the bandleaders. Moving pictures of "Their Majesties" visit to Victoria and comedies, featuring "Poppea," "Our Gang" and Fatty Arbuckle and Mabel Normand, were shown by P. C. Rogers. The magician, Mr. Crookford, delighted the audience with sleight-of-hand and conjuring tricks. Ice cream and candy, the gift of the club, brought the successful evening to a close.

AVOIDS REFERENCE TO NEXT ELECTION

Continued from Page 1
But speaking at a luncheon tendered him earlier today by Mayor Ralph Day and the Corporation of the City of Toronto Mr. Mackenzie King said it was his desire to continue to serve Canada "with all my heart."
Nearly two thousand people, the majority of them standing, packed the main banquet hall of the Royal York Hotel and sweltered through two hours of speech-making, by some twenty men and women representing all the provinces, before the Prime Minister's turn came to speak.
LAPORTE IS CHAIRMAN
Almost an equal number listened through loudspeakers in the other dining-halls of the hotel. Rt. Hon. Ernest Laporte, Minister of Justice, a long-time colleague of the Prime Minister and his chief lieutenant in Quebec, was chairman.
There were frequent references to the next general election "when it comes" and expressions of faith that the Liberal party would maintain its present unprecedented majority in the House of Commons.
There were strong delegations from all Liberal Provincial Governments, including the Premiers of Prince Edward Island, Nova Scotia, New Brunswick, Saskatchewan and British Columbia.
The Liberal Government of Ontario was conspicuously unrepresented, but some of Premier Hepburn's supporters in the Legislature were present. No reference was made to the absence of Mr. Hepburn nor any direct reference to the quarrel between him and Mr. Mackenzie King.
"FOREMOST STATESMAN"
Introducing the Prime Minister, Mr. Laporte referred to him as "one of the foremost statesmen of the world." He said "we not only respect our leader, but we admire him. The more he is attacked the better we love him."
Referring to Canada's stand on foreign affairs, the Prime Minister said "so far as world conditions are concerned at the moment, no man in public life can be too careful of what he says."
The Liberal Party was always prepared to take a firm stand when the circumstances demanded it. "But I do not think it would help the cause of international peace if we seek to change the form of government in other lands," he said.
During his time in office, he continued, he succeeded in passing through great treaties with the United States. This policy, also, he said, had aided in bringing about a treaty between Great Britain and United States.
"I venture to say there is no enactment which has so pointed the way to the ultimate solution of world difficulties as these treaties."
FORCES OF GOOD WILL
"The only way force can be overcome is by force," said the Prime Minister. "In this country we will do all in our power in the matter of resistance so that we may be able to resist any force which might come against it, but at the same time we must seek to advance the forces of good will in the aim that they may bring peace among us."
"If the preservation of spiritual freedom is worth any sacrifice in time of war, it is worth any sacrifice in time of peace," he added as he urged above all the necessity of preserving the personality of men.
Referring to a speech of the King on his return to England from Canada, Mr. King held up a quotation of His Majesty's which, he said, "should be borne in everyone's mind."
"One of nations is humanity," he said. "That is what the King said. He meant that in every nation, whatever its ideology or its form of government, the spirits of the people must always be considered. And in consideration of that fact we should seek to carry on our affairs so that nothing said here will ever jeopardize our relationship with other countries."
Liberalism, Mr. King said, began with a struggle to extend and defend freedom and was still dedicated to that purpose.

DRUGGISTS TO SELL MEDICINE 3 DAYS AT 25c
Anyone May Buy; Vancouver Drug Co., Ltd., Store Prepares for Crowds Thursday, Friday and Saturday. Offer Unheard of Before in Victoria.

If you were told that you could have a liberal size bottle of high quality medicine for 25c, it would sound unbelievable, wouldn't it? Yet this is true and such an offer is being made here in Victoria Thursday, Friday and Saturday by Vancouver Drug Co. Ltd. Store.
Why Offer is Made
This offer is made because we believe everyone who suffers should have the chance to try a medicine at small cost to see if it will help them before they buy it at regular price and because we believe many sufferers in Victoria and vicinity need the medicine we offer.
The medicine referred to is a new, scientific formula of 15 roots and herbs blended with five other allied medicinal agents, known as Mosby's Tonic, which has helped so many Canadian people. Therefore, we offer each person a liberal introductory bottle for 25c because we believe those who are benefited will keep on using it. The full marked price of the regular size is \$1.35. Therefore, the 25c offer is good Thursday, Friday and Saturday ONLY.

What It Will Do
Mosby's Tonic will cleanse your bowels gradually—no drastic or severe and tone them into better daily action.
It will bring out gases and impurities frequently from the first dose which may have been the real cause of all your gas pains, sourness and stomach distress.
Mosby's Tonic will help nature relieve indigestion, difficult breathing due to gassy stomach, dyspepsia and pain in chest due to stomach gas.
It will give you a new appetite, a new desire for food.
Mosby's Tonic will act as a diuretic to sluggish kidneys, thus relieving backache, sharp pains and night-urine caused by your weak, sluggish kidneys.
It will help clear up skin eruptions that are caused by the impurities in the organs, thus avoiding the sallow, "muddy complexion" that is due to sluggish liver.
By removing accumulations of poisons from the kidneys and blood, it will help relieve rheumatic and neuralgic pains.
Mosby's Tonic will make your STOMACH, LIVER, KIDNEYS and BOWELS more active. Build you up in general and makes you FEEL like a different MAN or WOMAN.
Now, whether or not it will help you as it has thousands of others—whether it will relieve your suffering in a day or a week—remains to be seen. But owing to the proven merit of this medicine it would seem to be in your own interest to try it for only 25c. This offer holds good Thursday, Friday and Saturday ONLY. Simply clip coupon below and bring it to Vancouver Drug Co., Ltd., Fort and Douglas Streets.

GIVES TALK ON C.C.F. POLICY

Ronald Grantham, Federal Candidate, Addresses the Salt Spring Electors

Ronald Grantham, C.C.F. Federal candidate for Nanaimo riding, addressed a public meeting on Salt Spring Island at the Fulford Hall on Saturday night. "Put simply, our task is to preserve and develop political democracy and to extend democracy into the economic field. To build a commonwealth fit for human beings to live in, we must secure social ownership of the means of production and social planning of the economic life," said Mr. Grantham.

MURRAY BRYCE Murray Bryce, Victoria, said: "There are half a million young people unemployed in Canada, and the Government admits that 98 per cent of all wage earners in Canada average under \$700 per year. Not enough people realize that this is the power age, and that science offers us an abundance beyond our greatest dreams. We can have this abundance only when we organize production for human need in place of private greed."

HOW TO OVERCOME ITCHING POLES. If you are annoyed with itching piles of rectal soreness, do not despair the same or you may lose the use of your rectum. Itching, soreness or painful passage of stool is caused by hemorrhoids, and proper treatment should be secured at once. One sure purpose for this is to prevent a recurrence of hemorrhoids and to prevent the itching and soreness and pain in passing stool. It is easy to use and it relieves the discomfort of itching piles. It is a pleasant taste, may be used at such a reasonable cost.

CINCY REDS SPLIT EVEN WITH THE CHICAGO CUBS

WALTERS IS BEATEN IN TRYING TO GAIN TWENTIETH VICTORY

Leading Hurler of Pace-Setting Cincinnati Club Driven to Showers in First Game as Chicago Wins, 7-3—Reds Take Nightcap, 7-5—Yanks Lose to Senators

By The Canadian Press
The faltering Cincinnati Reds, suffering the worst case of "jitters" they've had all season, squeezed out an even break in a double bill with the Cubs at Chicago yesterday as Bucky Walters, the Reds' league-leading hurler, took a first game beating and Harry Craft, Reds outfielder, went to a hospital after an outfield collision.

Two bombing hits by young Frank McCormick plus the relief hurling of Paul Derringer, gave the league leaders the second game, 7-5 in ten innings, after they had lost the opener 7-3.

With St. Louis idle, the split left the Reds seven and one-half games in front of the second-place Cardinals and ten and one-half games ahead of the third-place Cubs.

Walters, trying for his twentieth win of the season, was handed his seventh defeat in the curtain raiser as he allowed eight hits and six runs in four frames. A "break" which went hard against him came in the third inning. Bill Nicholson hit a high ball to left center. Outfielder Lee Gamble and Craft charged into one another.

Craft suffered a neck injury which resulted in his being sent to hospital for observation. Two runs scored on Nicholson's blow which went for a triple. The winning first-game pitcher was Bill Lee.

MAKE FOUR ERRORS
One of the four Cincinnati errors of the afternoon played a part in the three runs which the Cubs scored in the third inning of the nightcap for a 3-1 lead. But the Reds came back to knot the count with a brace of runs in the fourth.

At Philadelphia, with Hugh Mulcahy furnishing the pitching and Roy Hughes the telling base hit, the Phillies ended a ten-game losing streak last night with a 3-2 win over Brooklyn.

In the American League, the Senators stretched their winning streak to eight straight at Washington by walloping the near-top-seeded New York Yankees 7-4 with a sixteen-hit barrage, and thereby handing Alton Donald his second defeat of the season.

Everyone in the Washington lineup hit safely at the expense of three Yankee errorers during the tussle, which cost Donald his second loss since his record rookie winning streak of twelve in a row was snapped. The Yankees, dropping their

Plenty of Action at the Plate

The umpire shouts "safe" as the big Cincinnati Reds' outfielder, Wally Berger, comes hurdling across the plate in a swirl of dust when Pitcher Max Butcher's throw got away from Catcher Walter Millies during a dramatic moment in the sixth inning of the second game of a double-header between the Reds and the Philadelphia Phillies at Shibe Park, Philadelphia. Millies ran back for the ball and tossed it to Butcher, who is seen covering the plate on the right, but not in time to get Berger. The ball is in mid-air before it was snared by the pitcher. The league-leading Reds swept both ends of the twin bill by scores of 5-2 and 4-0, respectively, before 23,840, the second largest crowd ever to watch the Phillies at home. The double win placed the Reds nine games out in front in the pennant race.

Third straight game, were held to seven singles by Southpaw Joe Krakauskas and Pete Appleton, who relieved in the eighth when the champions scored three runs.

The usual class Yankee defenses fell apart, particularly in the early going, and the champions committed four errors. In addition, failure of the big guns—Joe DiMaggio and Bill Dickey—to hit hurt the Yanks' scoring chances.

FOXX HITS TWO
In Boston, aided by Jimmy Foxx' twenty-eighth and twenty-ninth home runs of the season, Old Robert Moses Grove extracted another well-pitched game from his aging left arm, and the Red Sox whipped the Philadelphia A's 9-2 for the eighth time in ten contests this season.

Grove had the A's shut out with six hits as he entered the ninth inning, but eased up enough for Eric Tipton to slash a single over Shortstop Joe Cronin's head and then score behind Bill Nagel's home run over the left field screen.

The Chicago White Sox defeated the Tigers, 5-3, in a game at Detroit featured by the successful relief pitching of the veteran Clint Brown, who relieved John Rinney in the ninth.

Rinney held Detroit to five scattered hits in the first eight innings, but blew up in the final frame. Two runs were scored during the Tiger rally, but Brown squelched it before any harm was done.

Rinney received credit for his ninth victory against five defeats.

Bromwich, Quist To Carry Colors Of Aussie Squad

SEABRIGHT, N.J., Aug. 8 (AP)—The Australian Davis Cup contenders tonight nominated Adrian Quist and John Bromwich to play all five matches with their Cuban rivals in the American Zone finals of the tennis title play Thursday, Friday and Saturday.

Ricardo Morales and Jose Aguiero were assigned to represent Cuba in the singles, with Morales and Lorenzo Nodarse named for the doubles.

RICH EVENT TO BE HELD IN THE EAST

Hambletonian for \$40,500 Purse to Be Run Today At Goshen Track

GOSHEN, N.Y., Aug. 8 (AP)—The buggy whip Derby, better known as the Hambletonian, will have its thirteenth renewal over Good Time Park's track tomorrow, with nine three-year-old trotters, two of them fillies, trying to beat a country doctor out of the major part of \$40,500.

Peter Astra is the hope of the country doctor—Dr. L. M. Gullinger, of Andover, Ohio. And the odds are 1 to 3 the beautiful striding son of Peter Volo will send his seventy-year-old owner home \$23,341 richer, a mighty good investment on the \$3,250 the good doctor paid for Peter as a yearling.

Peter was the top-money-winning two-year-old of 1938 with \$10,640 hanging up a record of 2:02 1/2 against the clock. He has yet to be beaten in chalking up four straight stake victories this season, trotting the last mile of the American at Old Orchard, Maine, in 2:02 1/4.

Seven of the nine horses he faces in the first heat of the two-out-of-three heat race tomorrow already have eaten the dust of the doctor's speedster.

TO HANDLE REINS
Dr. H. M. Parrshall of Urbana, Ohio, America's perennial leading driver, will handle the reins.

Cherry Hanover, from Lawrence B. Sheppard's Hanover, Pa., farms, and E. Roland Hariman's Spud Hanover are two speedsters which have yet to tangle with Peter Spud.

Cherry Hanover, a stablemate of Spud Hanover, or Gauntlet, driven by Vic Fleming of Dundas, Ont., and carrying the silks of C. W. Phellis, of Greenwich, Conn., the odds against even these two were no shorter than 8 to 1 as the advance guard of an expected crowd of 40,000 moved in on the tippen.

DALLESANDRO IS PACING LEAGUE
LOS ANGELES, Aug. 8 (AP)—Dominic Dallesandro San Diego's cloutier outfielder still shows the way in the Pacific Coast League batting race with an average of .378. Bill Sweeney, Portland first baseman and manager is in second place with .357 and Harvey Storey, San Francisco, is third with .333.

Seattle leads in team batting with an average of .293.
Home run honors still belong to the Los Angeles first baseman, Jimmy "Rip" Collins, who has clouted twenty-two.

Stevadores Defeat New Method Squad In Opening Tussle

Ralph Bonner Pitches Longshoremen to 5-2 Victory Over Laundry Nine in Senior "A" Softball Play-Offs Before Large Crowd—Next Game Tomorrow Evening

Turning back New Method Laundry 5-2, last night at Royal Athletic Park, Manager Jim Lackie's Victoria Longshoremen, senior "A" softball champions, took a one-game lead in the Lower Island playdowns. The clubs meet again tomorrow and a second triumph for the stevedores will give them a stranglehold on the best-of-five series.

It was lanky Vic Dale, freight jugglers' centre-fielder, who started the fireworks in the sixth frame by punching out a four-base blow and scoring Bill Mair from the hot corner. The runs were the first of the keenly fought ball game and broke a scoreless deadlock.

Harold Turner, doing the hurling for the laundrymen, looked like a champion for the first five frames, giving up a lone single. After being scored on twice in the sixth, Turner really bumped into plenty of trouble in the seventh, and was finally yanked in favor of Bill Buddell.

The relief hurler closed the gate for the evening, being taken out of a dangerous position in the eighth by a smart double hitting.

WINNING PITCHER
Ralph Bonner, portlander, pitched for the stevedores and was nicked for nine safeties. He kept them well scattered until the ninth, when the laundrymen bunched three hits and scored their two runs.

Freight jugglers made two smart double plays, but the fielding highlight was George Barnes' shooting catch in the fifth inning when he took Malcolm McBride's fly ball off his shoe tops.

Score by innings: R. H. E.
New Method Laundry—0 0 0 0 0 2—2 9 2
Victoria Longshoremen—0 0 0 2 3 5—7 2 2
Batteries—Turner, Buddell (7) and Berry; Bonner and Knapp.

LIBERALS WIN
Doing all of their scoring in the fourth inning, Young Liberals, "B" section champions, defeated Douglas "Fire" senior "A" softballers, 7-6.

EMSLIE IS THE LEADER

Wins Shoot-Off at Ontario Rifle Meeting - Carr Misses in Same Event

LONG BRANCH, Ont., Aug. 8 (CP) - C.S.M. George Emslie, of Toronto, for years a leading Bisley marksman, won the shoot-off today for the Ontario Rifle Association Silver Cup for high score in the Bankers' Match on the Long Branch Rifle Range.

In the regular match yesterday, four 69's were scored on the two ranges of 200 and 500 yards by Cpl. G. Collins, Toronto; Sergt. G. S. Carr, Victoria; Cpl. H. D. Whitehead, Toronto, and Emslie. Carr and Emslie scored 25 in the first five-round shoot-off today. On the extra shots Emslie scored two bull-eyes, while Carr had one and an inner.

The second shoot-off of the day was won by Lieut. Steve Johnson, of Calgary, who won the gold watch for high score in the President's Match with a bull's-eye on his second extra shot. Private F. H. Kirkman, of Toronto, kept pace with Johnson with a 23 for the five shots of the regular shoot-off but had an inner on his second extra shot.

Private F. H. Wallace, of Toronto; Emslie, and Sergt. P. M. Gibault, of Vancouver, all made high scores of 69 today in the Duke of Cornwall and York Match. Wallace and Emslie both had 34-35 on the 300 and 600-yard ranges, and they divided first and second prize money.

WINS THIRD PRIZE
Sergt. Gibault's 35-34 was not considered as good as the 34-35 scores and he won third prize. All three will shoot off tomorrow for the O.R.A. silver and bronze medals.

awarded for first and second high scores in the match.

Sixty-eights were posted by Tpr. J. Wilson, of Toronto, with 33-35; Cpl. H. D. Whitehead, Toronto, 33-35; and C.P.O. J. A. Beita, of Luxton, B.C., 35-33.

The O.R.A. silver medal for the Gibson Memorial Match was won by Lieut. Johnson, who had the only possible in the difficult match. The Gibson is ten rounds of snap-shooting at 300 yards on targets which appear for only three seconds for each round - Bdr. C. Rasmussen, of Victoria, won fifth with 43.

Mrs. Jean Dunbar Rayment, of Victoria, only woman in the militia matches, scored a 31-31-62 today in the Duke of Cornwall and York Match.

Fairley and Rickson To Meet in Final of Lawn Bowling Rinks

Vancouver and Courtenay Trundlers to Clash Saturday for Championship of Annual Tournament—Mixed Rinks Attract Large Entry List

By W. H. YOUNG

Everything connected with the lawn bowling tournament being staged this week on the greens in the Victoria district was yesterday carried out according to schedule, with the result that opponents to meet in the men's rinks and the women's rinks finals have been decided, while play in the singles competition has been materially advanced so that there is every prospect of the various events being completed well within the time set.

The major event for men will be settled in the final between George Fairley, of Termini, Vancouver, and William Rickson, of Courtenay, when the Fort Garry Trophy will be handed over to the winner, to retain for one year, which carries with it the rink championship of the tournament.

In the semi-finals of this event, the encounter between Fairley and Davidson proved a splendid exhibition of the game, as the score of 10-7 in favor of the former should indicate. In the other semi-final contest, the even from Courtenay were much more consistent than their opponents, as the score of 21-6 in their favor clearly shows. However, it must be said that Barr, skip of the defeated rink, played a masterly game, but the support accorded him was not up to the standard of expectations. Thus the rinks skipped by Fairley and Rickson will meet on Saturday in the final contest.

SEMI-FINALS

Following are the detailed scores in the semi-final contests:

Fairley 211 902 010 010 1-16
Davidson 000 120 101 101 9-7

Rickson 232 220 703 021 1-16
Barr 100 002 010 100 1-6

In the semi-final for the women's rinks trophy Mrs. Wallace, Victoria West, defeated Mrs. Pines, of the same club, by 15 to 11. A similar score resulted in the game between Mrs. Brown, C.P.-Victoria, and Mrs. Simons, Victoria.

The final game between Mrs. Wallace and Mrs. Brown has yet to be arranged as the contestants are tied up in other events. However, it is expected that Saturday morning will be the time selected.

The manager of the tournament, Major Broadbent, made the announcement last night that more than sixty rinks will be entered in the mixed rinks event, which will probably prove a record, or nearly so. One of the features of this event this year is the large number of different districts of the country being represented, and the event gives promise of being one of the most interesting in the history of the tournament.

VICTORIA VS. ALL-COMERS

To-morrow night, at 7:15 o'clock, there will be staged the annual contest between "victoria lawns" bowlers and those from outside the city. This has always proved one of the most interesting features on the programme, and is being looked forward to with considerable anticipation. Captains of the teams are Victoria, Major A. A. Warder; All-Comers, G. Watt, Vancouver Heights.

OUTSIDER IN RACE VICTORY

Vena Marcus Wins at Lansdowne and Pays \$290.85 To Lucky Bettors

VANCOUVER, Aug. 8 (CP)—Vena Marcus romped home with Jockey J. Kruschak aboard in the third race at Lansdowne Park to pay \$290.85 for a \$2 pari-mutuel ticket, a record pay-off on Vancouver tracks this season.

The winner paid \$131.95 to place and \$89.20 for show bets.

Vena Marcus went to the post at the longest odds on the board, 144 to 1, and although she began to falter as she reached the wire, managed to poke her nose in front for the win.

It was the first time this year a win and place prize went into three figures. The second horse, Mas Chick, paid \$53.65 and \$29.28, 20 to 1.

Early Flint, third, returned \$8.50.

Another long shot scored in the fourth race when Zephia Lad came in to pay \$58.60 for a win ticket, \$19.95 for place and \$5.20 to show.

Evening was second, and the favorite, Hope Flag, third.

Thrills Galore in Store for Racing Fans Tonight

THRILLS galore are promised racing fans who make their way to the new cyclodrome, Douglas Street and Burrside Road, this evening, to witness another programme being presented by the Victoria Cycling Club.

Twenty-five riders, all ready for action, and anxious to grab off the lion's share of the events, will compete in the various events on the attractive programme. The highlight of the card will be the ten-mile team race. Sprints, lap races and novelty items round out the evening's show. In addition to the amateur riders, Victoria's professional pedal-pushers will present another interesting and novel item. The races will start at 6:15 o'clock.

SECOND GAME OF PLAY-OFFS SET TONIGHT

Gasmen and Athletics Will Resume Rithet Cup Series—Second Division Games

With Lloyd Cann his first string hurler ready for action, Manager Tommy Restell will pilot his Athletics against the Pitzer and Nex ball tossers this evening at Royal Athletic Park in the second game of the city baseball championship series. The fixture will get under way at 6:15 o'clock.

Gasmen opened the final play-downs Monday evening with a 7-5 triumph over the A's, and will be gunning for their second straight victory this evening. Louis Leonard, victory pitcher, will oppose Cann, Athletics' aceball artist.

Pitzer and Nex are playing smart ball at this stage of the play-offs and are favored to take the Athletics and gain possession of the historic Rithet Cup, long symbol of the championship. Manager Bert Nex's proteges, showing remarkable improvement since the veteran player took over the leadership, polished off the Eagles, defending champions, in four games, and have yet to taste defeat in play-off fixtures.

CUBS BEAT BOMBERS

Playing last night at Beacon Hill Park, Manager Bill Pollard's Cubs, third place nine, dethroned the Brown Bombers 12-8 in an abbreviated contest.

Final games in the Huppherts Cup series for Second Division clubs will be played tomorrow evening. Navy, first place club, will oppose Cedar Hill Athletics at Beacon Hill, with Malcolm as umpire. At Oak Bay Park, Oak Bay will be at home to Pitzer & Nex. The game is a replay of an earlier drawn fixture.

YORKSHIRE IN CRICKET WIN

Defeats Lancashire Eleven By Five Wickets After Staging Rally

LONDON, Aug. 8 (CP)—Lancashire gave Yorkshire a shock by losing a first-innings lead in the English county cricket match between the rival counties, but the champion, eleven recovered to win the contest today by five wickets. Gloucestershire retained third place in the table behind Middlesex, trouncing Somerset by an innings and 100 runs.

In the only other encounter of the holiday series to produce a definite result, Hampshire came from behind to defeat Kent by seven wickets. Derbyshire took first innings points from Warwickshire. In the Middlesex-Sussex; Worcestershire; Essex; Nottinghamshire; Surrey and Northamptonshire-Leicestershire matches, the teams failed to complete an innings each and the games will not figure in the championship table.

THE SCORES

Lancashire 217 and 92, Yorkshire 193 and 147 for five wickets (Hutton 105 not out).

Gloucestershire 329, Somerset 106 and 114.

Kent 189 and 83, Hampshire 135 and 118 for three wickets.

Derbyshire 214 and 46 for no wickets, Warwickshire 115.

Middlesex 328, Essex 161, Sussex 253 for nine wickets.

Worcestershire 294, Essex 189 for eight wickets.

Nottinghamshire 248 for three wickets, declared; Surrey 120 for six wickets.

Northamptonshire 300, Leicestershire 81 for three.

Football Meeting

The annual meeting of the Victoria and District Wednesday Football League will be held in the Colonist board room tomorrow evening at 8 o'clock. All team managers, players and others interested in the league are invited to attend.

LETTER OF RECOMMENDATION

A kind gentleman had to dismiss his gardener for unfaithful service. He was too fond of sneaking away from his work for long periods at a time. Not wishing to harm him, however, the gentleman wrote this note:

"It will be quite all right if you have been in my employ over two years in that time he got out of the garden more than any other man I have had."
